

For Immediate Release

GoodGirlPR is now offering Life Coaching services to our clientele from the organization “Awesome After Adversity.” We would like to welcome Awesome After Adversity to our list of growing clientele as well.

“This is to ensure that each client is certain of the direction in which they wish to go when booking their publicist,” said Deena Gray, founder and CEO of Awesome After Adversity.

Gray is no stranger to adversity. Coming from the NYC Foster Care system, adversity is something she knows all too well. Gray overcame her struggles and now wishes to share the same intellect with those who feel as if they are stuck in a box, are in a professional rut, or feel as if they have peaked.

“I’ll see where each client is now and support them in finding the best way for them to achieve their dreams and visions,” added Gray.

Success is contingent upon the attitude of those who aim to succeed. Gray’s expertise along with GoodGirlPR’s drive will ensure professional successes from those whose end goal is to win. Failure is never an option.

GoodGirlPR welcomes Deena Gray and her organization, Awesome After Adversity, in hopes that she too will inspire us to make a better tomorrow.
